Features & Benefits

- Your choice of guide: We offer straight drop, wire guided and channel guided. Channel guide options include the heavy-duty crank operation particularly suitable for large expanses.
- Motorisation: Motorisation is an option for wire guide and heavy-duty Straight Drop Awnings.
- Durable fabrics: Many of the fabrics we use are manufactured in Australia to suit local conditions. You can have confidence knowing that they will look great for many years.
- Technically superior materials: We make our Straight Drop Awnings from components that have been engineered to last in Australia's harsh conditions.
- Choice of fabric: Choose a sunscreen or PVC fabric to retain your view while still providing weather protection or choose from our huge variety of patterns, block coloured acrylic or canvas fabrics for privacy and maximum sun protection.
